

# Braunstone Frith Primary School Leicestershire

## Project Information

**Address:** Braunstone Frith Primary School, Liberty Ave, Leicester, Leicestershire, LE3 6NN

**Facility:** Multi-use Games Area (12m x 24m)

**Surface:** NottsSward 1300 Needle Punched Sand Filled Synthetic Turf

**Completed:** April 2014

**Specialist Contractor:** Bingham Ground Services

### Points of Interest:

- Dual colour Olive Green/Terracotta with contrasting goal D's eradicating the need for further line marking through the life of the facility.
- Worked with School against tight budget.
- Worked to and achieved installation within a month of initial enquiry due to strict time constraints.

### Quote:

"I would like to thank Notts Sport for arranging our pitch to be installed in such a short time and at short notice. The team you arranged to do the ground work worked well and to a high standard and got the job done on time. The choice of a two tone pitch was a great idea and the children make a much better use of the pitch."

*Kevin Ridgley, School Estates Manager*
