Points of Interest:

- The Scottish Office funded a flood prevention project for the River Cart.
- The contract for the flood prevention scheme was won by a company VolkerStevin.
- As part of the contract, Glasgow City Council allowed VolkerStevin to use Holmlea Park as a site office, in return for them funding a new play area, multi Sport pitches and Adult gym.
- The flood prevention scheme was completed in the Summer of 2011 and construction of Holmlea Park started in Autumn 2011 and was completed in Spring 2012.
- ChildsPlay Recreation System was used for the two MUGA's and Adult Gym.
- ChildsPlay 170 System was used around the play equipment at the playground.
- The Park was officially opened late Summer 2012.
